To whom it may concern,

Who knew there was such a thing as a Ouija Expert? We had the pleasure of reaching out to Robert Murch for help in obtaining an original William Fuld version of the Ouija Board for the new Fox series, The Exorcist. Murch was able to provide us with the exact Ouija Board we were trying to get. He was extremely knowledgeable and helpful when it came to specific details of the board, as well as give us insight on its history. Murch was always easy to reach and sent us the boards quickly which was highly appreciated as things move very quickly while filming. There's no one else you can go to with Ouija related issues. Murch gets a well deserved recommendation from The Exorcist!

Best,
