To Whom it May Concern:

I am writing this letter of endorsement for my friend and collaborator Robert Murch.

I have known Robert since early 2010, in my capacity as an occult historian and researcher of spirit communication devices. We met at a time when previously-cloistered occult researchers began to go more public with their work and establish relationships with other historians and collectors. Bob—or “Murch,” as he is affectionately known—had long beat most of us to this endeavor, and had publicly represented his incredibly thorough explorations in the Ouija's history for years, at a time when most scholars in our discipline warily guarded their work rather than collaborating toward a better understanding of their esoteric subjects.

Since then, my relationship with Murch has inspired a number of collaborative endeavors, including extensive travel to document rare collections and pore over musty archives all over the world. Bob and I have lectured together and given historical seminars in a variety of venues, and collaborate daily looking for the next piece of the puzzle in our quest to write and share the complete history of spirit communication devices.

Murch is genial and outgoing, selfless in the extreme. He is quick to find the humor in circumstance, and maintains a bright, positive attitude in all of his efforts. No matter what affair you may wish to engage him in, you will find him supportive and knowledgeable, and willing to take the lead to ensure an endeavor's success.

I highly recommend Robert Murch to you, and have no doubts you will benefit from his inclusion in your undertaking, whether it be a historical lecture, the assembly of a museum exhibit, or something else. If you should ever need any additional information you can feel free to contact me at 512-443-9449 or via my website—[www.mysteriousplanchette.com](http://www.mysteriousplanchette.com)—anytime.

Thank you;
