To Whom It May Concern:

I am writing this letter to recommend the services of Bob Murch in the area of Ouija Boards / Talking Boards. On the Universal Pictures motion picture, "Ouija," Bob provided a fantastic interview, featured in the home entertainment content. He was extremely helpful in educating viewers on the history and usage of the boards. He also has the best collection of antique Talking Boards out there and was more than happy to share his collection with us.

Bob was not only personable, pleasant and cooperative; he was immensely informative and knowledgeable on the topic. He was fascinating and clear on camera, and his input was invaluable. In essence, Bob was a great asset to this project, and we could not have produced the content without him. I would highly recommend him as an advisor for any film dealing with Talking Boards.

Sincerely,
