Mr. Robert Murch
[REDACTED]

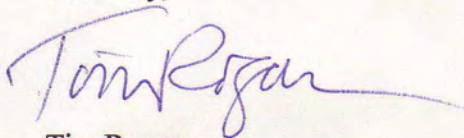

Dear Robert:

This letter is to express my appreciation for your assistance in the production of the Ouija Board, aka "Cryptique" segment of the **Penn & Teller: BS!** show for Showtime Television.

Your timely assistance in securing Salem witches and a ghost hunter, as well as scouting and securing appropriate Salem locations, was invaluable. Given our short production lead time, it is difficult to imagine completing this ambitious project without your help and connections. In addition, your knowledge of the history of spirit boards, and your personal collection of them as well, made a very positive contribution to the final production.

Many thanks, and best of luck to you and your associates in the future.

Sincerely,

Tim Rogan
